If you accepted the challenge to increase your time of Bible study by 8 minutes a day, may God continue to bless you. If you do not succeed every day, that is OK. You are still growing in His Word.

If you have not accepted the challenge, it is not too late. Just see how many minutes you can use regularly.

Here is a prayer to help you: *Lead our thoughts and words as we study Your word and gain more meaning for our lives, so we are ready to reflect Your love to others. In Jesus' Name. Amen*
