

Pop Can Drive: The youth are continuing to collect returnable cans/bottles to fund their trip to Higher Things this summer. If you would like to donate, bring in your cans/bottles and place them in the box in the educational wing hallway. If you would like the youth group to pick them up from your home, contact Michelle Hoppe at 989-670-1164

Thrivent Cards: If you are a Thrivent member, have the use of Thrivent Action cards, and are willing to apply to get a card for activities around Good Shepherd, please sign the sheet on the hallway bulletin board. Traci Schulz will contact you when a card is needed. Thank you.

Orphan Grain Train: Thank you to Ron & Sue Pawloski for taking our donations to the collection center in Sebawaing. If you are spring cleaning and would like to donate items, please pick up a wish list from the envelope on the barrel by the kitchen door.

Mites for LWML Challenge: Three Sundays remain to fill our Mite jar! Our goal is to fill the jar on the narthex table by Easter! We have a ways to go. **Note:** Have you taken a look lately at the littlest mite? Just a reminder from a penny "In God we trust." Remember that each penny or other coin goes a long way toward spreading the news of trusting in our Lord, in the Gospel!

Turkey Dinner– Sunday, April 23: Sign up sheets for volunteers and donations will be set out by the first weekend in April. Please consider how you can help out. The more volunteers the smoother the day goes.

Christian Education Grant Aid Fund, otherwise known as **CEGAF** is a fund to give some financial assistance to students from Good Shepherd attending one of our Concordia Universities. This year the fund will support Charlotte Schulz, who is obtaining her Masters through Concordia, Ann Arbor and Ian Habicht who is attending Concordia seminary in Fort Wayne. Your help in keeping this grant fully funded is appreciated. Simply put your gift into your offering envelope and mark it CEGAF.

What about the “Jesus Revolution” movie?

This popular film tells the story of people coming to faith in the late 1960s. It depicts what is sometimes called the “Jesus Movement” that spread among former Hippies. Many of us have seen this movie and found a lot of encouragement in it. But there are also aspects of the story that don’t quite fit with the Biblical perspective that is so central to our Lutheran faith.

From time to time the Christian experience is depicted in our culture’s entertainment. What are we Lutherans to make of these cultural events? Can we enjoy and find benefit from participating? But, if we do, what dangers should we have our eyes open for?

Pastor Bagnall invites everyone to come to the Fellowship Hall after next week’s service (March 26) where he will lead a discussion of these questions. The Youth group will be included so we can all explore these important questions.
