Good Shepherd's Lawn Care: Spring is finally here, and pretty soon the grass will turn green and start growing. The trustees are looking for people who will take a turn mowing our church grounds this summer. Our mowing season starts in May and runs through October. There is a lawnmower for your use in our shed. We do ask that you bring gasoline to fill the tank. Sign up on the bulletin board in the hallway if you are able to help. Thank you!

Save The Date: Women's Ministry is planning a "Greenhouse Shop Hop" next month - Saturday, May, 18th. The hop will be similar to last year's event where we will meet at the church at 9:00 am, receive a map, and with friends explore our local greenhouses.

Ian's Vicarage: Ian will find out where he will serve his vicarage in a special assignment service at the chapel of Concordia, Fort Wayne on April 23rd at 7:00 pm. The service will be livestreamed on the chapel webpage: ctsfw.edu/daily-chapel

On The Narthex Table: In preparation for next Sunday's voters' meeting pick up a copy of the list of nominated mission organizations for this year's Fortress distribution. Also on the table is note to the voters regarding support of Concordia, Ann Arbor (which will also be discussed at the meeting).
