

YOU CAN ASSIST HURRICANE RELIEF THROUGH ORPHAN GRAIN TRAIN--MICHIGAN

Major hurricane relief materials and supplies will continue to be received this week at Orphan Grain Train—Michigan for delivery to hurricane victims.

Many people throughout the South are hurting badly having lost homes, businesses, livelihoods, and even loved ones. There is no time to spare carrying out relief efforts and offering mercy care.

The two Orphan Grain Train—Michigan locations (1. Sebewaing main warehouse 2. St. Mark Lutheran Church, Flint) are collecting non-perishable foods, bottled water, cleaning and hygiene supplies, blankets, rubber boots, generators and many other items needed where people have experienced such harm.

Rubber kitchen gloves (all sizes), rubber boot covers (all sizes), and N-95 respirators are especially needed. Most appreciated are the non-perishable foods if possible in wrapped case quantities. Diapers also are particularly requested.

All financial donations are being used to purchase relief goods in bulk. Mark such for hurricane relief and send to Orphan Grain Train—Michigan, 126 E. Main St. Sebewaing, MI 48759.

The quantity of donated goods this past week has grown substantially at Orphan Grain Train. But the urgency of need must limit the donation window to just the next few days. Orphan Grain Train in Sebewaing will be open 9am—5pm every day through this coming Saturday, Oct. 19. Deliveries at off-hours or questions can be directed to branch manager Pastor Dave Reed (989-600-2264). The OGT Flint location at St. Mark is at 5073 Daly Blvd.

Donations may be dropped off here at Good Shepherd before Wednesday, October 16th, when our volunteers will deliver them to Sebewaing.
