Fill A Bucket

Sponsored by Good Shepherd's Women's Ministry

On June 1st we will be kicking off our disaster response flood relief project. Women's Ministry will supply the buckets, and are asking the congregation to fill them with cleaning supplies. A list of supplies needed will be included with each bucket. Take a bucket or two home, fill them with cleaning supplies, and return them to Good Shepherd.

Items needed include:

paper towels, disposable rags, glass cleaner, cleaning powder, Liquid cleaner, bleach (1 gal.), scrub brush, 2 pairs of rubber gloves, and sponges.

Speak with Evelyn Jameson if you have any questions.

Stewardship Minute: Revelation 21:1 – *"Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more."* The things of this world are passing away. We are waiting for a new heaven and a new earth, which have been promised to us in Christ. This knowledge is foundational for our stewardship of what God has put into our hands. What is truly important? What is worthy of our support? How has God called us to use "unrighteous mammon" for the good of our neighbor and His kingdom?

Long Range Planning: At the last Voters' meeting it was decided to continue Good Shepherd's Long Range Planning Committee.

This Long Range Planning committee was formed a few decades ago to look into the needs of the congregation and to make recommendations to the congregation about how those needs could be met.

Some of the projects that came out of the committee include: air conditioning in the sanctuary, the current organ, the altar area remodel, the bell tower, and our storage shed.

In order for the committee to look forward to future congregational needs, the committee needs new members. If you are interested in the future of Good Shepherd and are available to attend one meeting per quarter, sign up on the sheet posted on the hallway bulletin board.

Do You Run Your Own Business? The Thumb Lutheran, a quarterly newsletter for the LCMS churches in the Thumb circuits, publishes a list of Lutheran Businesses. If you would like to have your business included in that list, contact the church office. We need the business name, address, and phone number. If it is not obvious from the name, also include what the business does.

LWML Mites: Remember to keep filling your Mite Boxes™ for LWML grants. Can we help meet the goal of funding the mission work of sharing Jesus? If you need a box, some are on the narthex table.
